R+3

A horizontal number line with three tick marks. The first tick mark on the left is labeled "0m". The second tick mark is labeled "5cm". The third tick mark on the right is labeled "5m".

This architectural elevation drawing depicts a multi-story building facade. The structure is divided into three main sections. The leftmost section features a gabled roof with three dormer windows and a ground-floor entrance with a small overhang and a green triangle on the sidewalk. The central section has a flat roof with four skylights and a central entrance with a decorative balcony. The rightmost section also has a flat roof with skylights and a series of tall, narrow windows. The drawing uses black lines for structural elements and blue shading for window panes. A dashed vertical line runs through the center of the building.
